It is available for free from the United States government. It is on the ADA website as a pdf download, but if you want the hard copy book, all you have to do is call the phone number listed on the website and speak into the recording and the book will be mailed to you absolutely free. The Guidance on the 2010 ADA Standards is also available free from the same source.10 of 10 people found the following review helpful. Don't buy this. Get a free copy instead.By JVAAlthough the seller name listed here is "Department of Justice", this item is not sold by the actual US Department of Justice. The actual D.O.J. provides this publication for free, since its paid for by taxpayers. To get your free copy, just call the toll-free ADA Information Line at 800-514-0301 (Voice) or 800-514-0383 (TTY).0 of 1 people found the following review helpful. The Department of Justice has assembled this official version of the 2010 ADA Standards for Accessible Design (2010 Standards) to bring together the information in one easy-to-access location. It provides the scoping and technical requirements for new construction and alterations resulting from the adoption of revised 2010 Standards in the final rules for Title II (28 CFR part 35) and Title III (28 CFR part 36).
