Texas attorney Robert A. Kraft has practiced plaintiff's personal injury law in Dallas, Texas since 1971. In that time he has represented thousands of clients in almost every type of injury and disability claim. He has used his experience to write this book explaining some of the "fatal mistakes" he has seen accident and injury claimants make. This book warns consumers of potential pitfalls in the injury claims process, and educates injured Texans so they won't make the same mistakes in pursuing their own injury cases.
