GREAT SERIES, CANT WAIT TO GET TO THE NEXTBy Maura E CroninGREAT SERIES, CANT WAIT TO GET TO THE NEXT SEASON4 of 5 people found the following review helpful. Covers lots of territoryBy gradschoolgirlA really interesting read for someone who doesn't know much about indigenous peoples globally. Gets you thinking about who is indigenous and how politics shape this. Like with any book things get left out or aren't covered in depth, but can you really write a global history in 300 pages? A good read!
