Morris Dees, Steve Fiffer : A Lawyer's Journey: The Morris Dees Story (ABA Biography Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Lawyer's Journey: The Morris Dees Story (ABA Biography Series):

2 of 2 people found the following review helpful. A stand up guy, almost a saint...By AquariaThis is really a review of the man, who gets 5 stars and more. Admirable and inspiring. Of all the public figures in america, mr.dees and tia torres are shining examples for kids to look up to, for anyone to look up to. The 4 stars is for the book in which i would have liked more pictures, and maybe an update. But i am just proud to call Mr.Dees a fellow american. Thank you, Morris Dees!1 of 1 people found the following review helpful. Dees: A Man Seeking JusticeBy Wendell F. WentzMorris Dees is a man seeking Justice for the "least of these" in our nation. He is a valiant witness for Truth, and he has traveled across America standing in courtrooms winning cases against villains that robbed the lives of others and hijacked justice. There have been times when no state, county, or city would indict the criminals, and Dees took those cases and won them. He is a true servant of humanity, and he has paid his dues to society by his brave and bold stands. Each our 50 states needs a Morris Dees working for Justice in America. His autobiography gives us glimpses into his life and work. He is our Clarence Darrow of the 20th and 21st Centuries. If you love Justice, Peace, and Brotherhood, this is a book that will reveal what one man can do. Having been threatened and abused for his stands he is a fine example for all men and women that want to help make America what she should be.1 of 1 people found the following review helpful. The Southern Poverty Law Center is constantly in the news ...By Stephen H. KnoxThe Southern Poverty Law Center is constantly in the news for the important work they do. This book made me a believer. You can't read it without being touched by it. If I could give it more than five stars, I would. It is one of the most important books I have read.

This book dramatically chronicles the significant events that led Morris Dees to the front lines of the civil rights struggle and his ongoing crusade against hate groups.This is the story of the courageous and often lonely journey of a skilled and controversial trail lawyer whose career has paralleled a nation's struggle to ensure freedom and equality for all its citizens.
