**Walter Lee Brown : A Life of Albert Pike** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Life of Albert Pike:

0 of 1 people found the following review helpful. Review of "A Life of Albert Pike" By Kenneth H. Cook "A Life of Albert Pike" Excellent and thorough biography of Albert Pike. Well written, heavily footnoted and an excellent bibliography. 4 of 4 people found the following review helpful. A Life of Albert Pike By earthling This was a fascinating look into the life of Albert Pike. No stone was left unturned in researching his life and his work. The insight and humor used in the prose was magnificent. Would love to read more by this author. Every fact was fascinating and detailed to the point that I felt as if I were traveling through time. Every time I read a chapter and said to myself, "I want to know more," the author followed up with another chapter fulfilling that wish. The worst part of

the book was finishing the last chapter and knowing there was nothing left to read tomorrow.

An American figure of heroic proportions, Albert Pike experienced all the opportunities and travails of the nineteenth century. Schoolteacher, newspaperman, successful lawyer, and talented Whig leader, this important Confederate general transformed and popularized the Masonic movement.

From the Inside Flap  
An American figure of heroic proportions, Albert Pike experienced all the opportunities and travails of the nineteenth century. Schoolteacher, newspaperman, successful lawyer, and talented Whig leader, this important Confederate general transformed and popularized the Masonic movement.
