Five StarsBy (YES) You Easily SmileGood0 of 0 people found the following review helpful. User FriendlyBy Marcella RosenbergI am looking forward to reading this book. It sounds like a user friendly version of the regulatory craze underpinning the U.S pharmaceutical system. I love

the names of authors-Pine and Pina. :)

FDLI's Practical Guide, now in its fifth edition, is widely adopted in food and drug law courses in law schools and graduate regulatory programs. A primer for practitioners that is also broadly accessible to anyone with an interest in FDA-related laws and regulations, this key text has been referenced in judicial opinions, including by the US Supreme Court.
