R. George Monti, Andrew Barile : A Practical Guide to Finite Risk Insurance and Reinsurance before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Practical Guide to Finite Risk Insurance and Reinsurance:

3 of 7 people found the following review helpful. Financial Reinsurance and Finite Risk Reinsurance By Andrew Barile The only book on Financial Reinsurance is great to get the basic understanding of the subject matter. George Monti is deceased from a gun accident. you need to get this book in the hands of George Bush since it is applicable to Terrorism Insurance. See website abarileconsult.com the author of this book. 1 of 4 people found the following review helpful. Negotiating and Buying Reinsurance By A Customer Must read for those who are buying reinsurance for the

first time.4 of 10 people found the following review helpful. great amount of infoBy george@aol.comvery practical for thebeginning novicein the area of reinsrrance

A topical comprehensive account that deals with insurance and reinsurance arrangements covering the risk of loss including losses from financial transactions. Evaluates actual types of reinsurance agreements, clause by clause, providing detailed explanations of key terms, words and phrases along with their impact on the overall risk transfer. Describes all relevant and emerging regulatory developments in the areas of accounting, tax and securities. Includes six case studies of major, current-market financial reinsurance deals.
