From Natl Inst for Trial Advocacy : A Practical Guide to Texas Evidence: Objections, Responses, Rules, and Practice Commentary before purchasing it in order to gage whether or not it would be worth my time, and all praised A Practical Guide to Texas Evidence: Objections, Responses, Rules, and Practice Commentary:

"...profoundly useful for Texas practitioners who seek to admit or to oppose the admission of evidence in civil courts.... Besides providing a guiding hand regarding the threshold of laying an evidentiary predicate, and for lodging objections and suitable responses, the book's sharply focused and insightful commentary effectively prepares the trial attorney for entertaining evidentiary issues." -- The Houston Lawyer, January/February 1999
