understandBy Ronnie BoydI just read "A Property, Tenant and Business Owners Guide to Eminent Domain." This book is very straightforward and easy to read and understand. It is geared for those people (non attorneys) who want to know about the eminent domain process in Florida and how it could affect their property or business. The author answers many of the most common eminent domain questions in a clear and concise manner that any non attorney can easily understand. I would highly recommend this book for anyone that wants to know more about the eminent domain process in Florida.1 of 1 people found the following review helpful.
