By tony b I was pleased to find that Mr. Jarvis's "A Simple Guide to the Immigration Laws of the United States" was just that: A comprehensive guide that takes its readers through immigration laws and regulations, and what to expect when trying to get to the States (and even when they're here) in layman's terms, which is a bonus for people with little to no legal background. It's user-friendly for family members, friends and colleagues who are trying to help someone immigrate to the States, or for someone who needs step-by-step information to help them wade through sometimes murky waters of legalities. Job well done!

By Leslie Spornberger Jones A great book that gives an overview of all immigration processes in easy-to-read language. Provides an outline for asylum, deportation, and citizenship processes as well as seeking refugee status. Appeal processes are also described concisely, yet thoroughly. A handy little guide!

As a practicing immigration attorney for many years, I have had to help many clients solve some of the most common problems, simply because they had no knowledge of the immigration laws of the United States. Whether you were born in the US, whether you are now in the US, or even if you are planning to come to America, this book is for you. You MUST read this book, especially as an alien, because the information you will find here will help you to stay out of trouble and direct your path from the time you arrive in America up to you becoming a US citizen if you so desire. When you read this book you will learn about some of the things which you should and should not do when you come to America. Others will tell you things which may not always be true, so do not be fooled by people who do not know the law. Let this book be your Guide.

About the Author Being immigrants themselves, Marcus and Savie Jarvis have a first-hand knowledge of the issues contained within A Simple Guide to the Immigration Laws of the United States. Marcus Jarvis Co-author Marcus Anton Jarvis was admitted to practice law in the State of Minnesota on May 10, 2002. He is licensed by the Minnesota Supreme Court and all Minnesota lower courts, such as the Minnesota Court of Appeals. He practices primarily in the areas of Immigration and Criminal Law. Mr. Jarvis practices Immigration Law before the Department of Homeland Security (DHS) and its related administrative agencies; the Board of Immigration Appeals (BIA); Federal District Court of Minnesota; and the Eight Circuit Court of Appeals. He has also been admitted to the Federal Tax Court in Washington D. C. He is the owner and sole partner of Marcus-Jarvis Law, Ltd. (formerly Jarvis and Associates, LLC, and Jarvis and Associates, PC), which has attained a number of successful appeals at the BIA and the Minnesota Court of Appeals. He has also been awarded with published decisions at the BIA and the Eight Circuit Court of Appeals. Mr. Jarvis holds a Bachelors degree in Avionics (Aircraft Electronics) from Embry Riddle Aeronautical University in Florida; a Juris Doctor (JD) from William Mitchell College of Law in Saint Paul, Minnesota; and a Masters in Business Administration from the University of St. Thomas in St. Paul, Minnesota. Federal licenses: Federal Airframe; Federal Power Plant; Federal Communications Commission with Ship Radar Endorsement; and Federal Private Pilot License. Marcus Anton Jarvis was born in the Caribbean island of Antigua and Barbuda, and is a naturalized American citizen. Savie Jarvis Co-author Mayanti Boodoo Jarvis (Savie) is from the Twin Island Republic of Trinidad and Tobago in the Caribbean. She attained her formal education in Trinidad, and has worked with her husband Marcus on several immigration matters.
