Soror Frankie Freeman helped confirm why I knew I am part of an illustrious organization because DELTAS are about change, equality, and service to others. It is because of her dedication and hard work that so many Americans are still able to enjoy certain freedoms. Everyone should read this book, it will make you laugh, cry, and feel proud to be an American!!~Darlene

Historical events and icons that every high school student should know. This should be on the reading lists of H.S. American history classes.

Growing up in the Jim Crowera South, Frankie Freeman learned lessons about discrimination. She walked places rather than take the segregated streetcar; she felt hurts and vowed privately never to forget. But in her loving family, she also learned positive lessons about living: work hard, get an education, fight injustice, and make a difference.

About the Author
Frankie Freeman was born in 1916 in Danville, Virginia. She earned her law degree from Howard University and in 1964 was the first woman appointed by President Lyndon Johnson to the U.S. Commission on Civil Rights, where she served for sixteen years. A practicing lawyer for more than fifty years, Freeman is now a member of the St. Louis law firm Montgomery Hollie and Associates, L.L.C.
