For those who find themselves in a battle for public records, *Access with Attitude: An Advocates Guide to Freedom of Information in Ohio* is an indispensable weapon. First Amendment lawyer David Marburger and investigative journalist Karl Idsvoog have written a simply worded, practical guide on how to take full advantage of Ohios so-called Sunshine Laws. Journalists, law firms, labor unions, private investigators, genealogists, realty companies, banks, insurers anyone who regularly needs access to publicly held information will find this comprehensive and contentious guide to be invaluable. Marburger, who drafted many of the provisions that Ohio adopted in its open records law, and coauthor Idsvoog have been fighting for broader access to public records their entire careers. They offer field-tested tips on how to avoid no, and advise readers on legal strategies if their requests for information go unmet. Step by step, they show how to avoid delays and make the law work. Whether youre a citizen, a nonprofit organization, journalist, or attorney going after public records, *Access with Attitude* is an essential resource.

During my eight years as editor of Clevelands Plain Dealer, I speed-dialed Marburgers phone number whenever an access problem loomed. *Access with Attitude* isnt quite that, but its the next best thing. It belongs on every bookshelf in Ohio. Doug Clifton, former editor, Plain Dealer
