**Brian Lee : Adding Insult to Injury** before purchasing it in order to gage whether or not it would be worth my time, and all praised Adding Insult to Injury:

Have you been injured in a motor vehicle accident? Are you wondering how to receive full compensation for your losses? Don't delay. Here is the information you need to understand your rights and responsibilities, proper procedures, deadlines and the benefits you are entitled to-all in plain language.Author Brian Lee is an attorney who has 28 years of

experience in representing motor vehicle accident victims. He knows how to help you deal with the insurance companies and navigate the legal system. Don't go it alone when you have an expert to advise you, and an advocate to stand up for you.
