Christopher Forsyth, William Wade : Administrative Law before purchasing it in order to gauge whether or not it would be worth my time, and all praised Administrative Law:

0 of 0 people found the following review helpful. Five Stars By Customerbook in excellent condition 0 of 0 people found the following review helpful. Five Stars By Joan M. Received with much thanks.

Wade and Forsyth's Administrative Law has been a cornerstone text since its first edition in 1961. It provides a comprehensive and perceptive account of the principles of judicial review and the administrative arrangements of the United Kingdom. For over fifty years, Administrative Law has been trusted by students in the UK and internationally

and is extensively cited by Courts in England and Wales. The book's clarity of exposition makes it accessible to the student approaching the subject for the first time, whilst its breadth of coverage and perceptive insight ensure its value to all interested in this field, academics and practitioners alike.

from previous edition: "Administrative Law is an extremely impressive and authoritative text providing excellent coverage of this complex and procedural area." --Dr. Christopher J. Newman, Reader in Public Law, University of Sunderland
"A classic text. I always look forward to a new edition. It's authoritative in tone and analysis and comprehensive in coverage" --Robert Thomas, Professor of Public Law, School of Law, University of Manchester
