David S. Case : Alaska Natives and American Laws before purchasing it in order to gage whether or not it would be worth my time, and all praised Alaska Natives and American Laws:

3 of 3 people found the following review helpful. Meticulously documented examples of individual court casesBy Midwest Book ReviewNow in an updated and expanded second edition, Alaska Natives And American Laws by David S. Case and David A. Voluck is a straightforwardly presented and extensively researched listing of American laws and their direct effect on the Native American communities of Alaska. The legal relationships of federal and state governmental laws, statutes, regulations and policies with respect to the indigenous populations of Alaska ranging from aboriginal titles, to a history of native services in Alaska, to Alaska Native claims to self-government and sovereignty. Meticulously documented examples of individual court cases add clarity to this solid and information-laden resource. Alaska Natives And American Laws is a seminal and valued contribution to Native American Studies reference collections.

"Far from being a mere legal reference guide or hornbook, Alaska Natives and American Laws is essential reading for anyone in business, government, or civic life who is interested in contemporary Alaska. . . . David Case and David Voluck go well beyond summarizing and updating the latest statutes, regulations, and court decisions affecting Alaska

Natives and their relationship with the federal government and the State of Alaska. The authors bring order and coherence to that uniquely Alaskan legal landscape that can be dauntingly complex, if not obscure, even to the most seasoned practitioners and policymakers."
