From Brand: Scarecrow Press : American Indian Sovereignty and Law: An Annotated Bibliography (Native American Bibliography Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised American Indian Sovereignty and Law: An Annotated Bibliography (Native American Bibliography Series):

1 of 1 people found the following review helpful. Excellent Research Tool By Nichlas Emmons This annotated bibliography covers a vast diversity of information from governance and politics, to environment and natural resources. I would highly recommend this book to any library or individual seeking to learn more about Native North

Americans.

American Indian Sovereignty and Law: An Annotated Bibliography covers a wide variety of topics and includes sources dealing with federal Indian policy, federal and tribal courts, criminal justice, tribal governance, religious freedoms, economic development, and numerous sub-topics related to tribal and individual rights. While primarily focused on the years 1900 to the present, many sources are included that focus on the 19th century or earlier. The annotations included in this reference will help researchers know enough about the arguments and contents of each source to determine its usefulness. Whenever a clear central argument is made in an article or book, it is stated in the entry, unless that argument is made implicit by the title of that entry. Each annotation also provides factual information about the primary topic under discussion. In some cases, annotations list topics that compose a significant portion of an author's discussion but are not obvious from the title of the entry. *American Indian Sovereignty and Law* will be extremely useful in both studying Native American topics and researching current legal and political actions affecting tribal sovereignty.

A valuable addition to libraries supporting research in Native American studies. (American Reference Books Annual) About the Author Wade Davies is associate professor and chair of the Native American Studies Department at the University of Montana. Richmond Clow is professor in the Department of Native American Studies at the University of Montana.
