Five StarsBy denieseAwesome book documenting the history of US Army history. Even though the title states "military", it is about Army.0 of 0 people found the following review helpful. This book is amazingBy AmkThis is a very neat book; I have to read it for a history class at Liberty

University, but would have enjoyed reading it on my own anyway. It captivates ones imagination and gives vivid details of the tactics and battles in American History.

This latest edition of an official U.S. Government military history classic provides an authoritative historical survey of the organization and accomplishments of the United States Army. This scholarly yet readable book is designed to inculcate an awareness of our nation's military past and to demonstrate that the study of military history is an essential ingredient in leadership development. It is also an essential addition to any personal military history library. This text is used in military ROTC training courses as a basic military history textbook. Volume 1 of 2 volume set.
