**Sue Bowron, Frederick Jones : An Act of Bravery: Otis W. McDonald and the Second Amendment** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Act of Bravery: Otis W. McDonald and the Second Amendment:

0 of 0 people found the following review helpful. the face and behind the scene of 2010 McDonald Supreme Court Decision By tyree white If one has a strong interest in the history of the 2nd Amendment, this book will be of interest. I have enjoyed how Mr. McDonald came to the case and how his life led him to be the public face to the 2nd

Amendment and the 14th (Civil Rights) Amendment. Thanks, tyree white.0 of 0 people found the following review helpful. My Hero, Mr Otis McDonaldBy dan coxA great tribute to a great American, a man that took on the City of Chicago and fought for a repeal of the Chicago Handgun Ban... and WON!0 of 0 people found the following review helpful. Five StarsBy Barbara J. HammerbeckA very interesting story for those of us who like to have and/or carry a gun.

Otis McDonald, born and raised amidst the hardships of sharecropping in the cotton fields of Fort Necessity, Louisiana, overcame poverty and social prejudice to become the first in his family to earn a college degree and rise to the relative comfort of Americas middle class. With drug and gang activity on the rise in Chicago, McDonalds home has become increasingly threatened by violent crime. With no other intent but to defend his family against life-threatening intrusion, McDonald encounters the dichotomy of gun-wielding criminals and a Chicago statute limiting the purchase of handguns. As lead petitioner in a Supreme Court case against the City of Chicago, McDonald is the unlikely candidate to challenge local jurisprudence against the Second Amendment. How does the Constitution protect this countrys citizens and which citizens are being protected?

About the AuthorSue Bowron is a business communications consultant and freelance writer specializing in feature articles, book reviews, and biographies. She holds a BS in Management; an MBA in Marketing; and a Master of Arts in Professional Writing from Kennesaw State University. She is currently at work on her third biography in Cumming, Georgia where she lives with her husband and cocker spaniel, Jack. Frederick Jones practices law in Alexandria/Pineville, Louisiana and is a Professor at Louisiana College in Pineville. Jones earned his J.D. from the Southern University Law Center and his B.A. in pre-law studies from University of Louisiana at Monroe. He is the author of several books including his latest biography with co-author Sue Bowron, Through a Teacher's Eyes: The Mabel Lawrence Thomas Story. He makes his home in Pineville and is Otis McDonald's nephew and personal agent.
