Pamela Frasch, Katherine Hessler : Animal Law in a Nutshell (Nutshells) before purchasing it in order to gage whether or not it would be worth my time, and all praised Animal Law in a Nutshell (Nutshells):

Topics include animal anti-cruelty laws, industrial and agricultural uses of animals, torts and other claims for harm done to animals, as well as federal, state and local regulation of animal ownership and use, animal rights activism,

hunting, fishing and other recreational uses of animals, animals in entertainment, issues arising when animals are the subject of a contract or the intended beneficiary of a will or trust, remedies for harm done to animals, international animal law, and anticipated future legal developments in the field.
