From American Bar Association : Annual Review of Intellectual Property Law Developments 2010 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Annual Review of Intellectual Property Law Developments 2010:

Get quick access to the most important developments in intellectual property law and practice in 2010. Perfect for when you need to give immediate advice, update research or ensure you are up-to-date on an issue, this the only single-

volume annual review publication that covers developments in all areas of IP law, including patent, trademark, and copyright. It is written, organized and edited by nearly 100 experts. A detailed Table of Contents features both the development name and a one-line summary for fast, on-point information. Includes searchable CD-ROM.
