R. Doak Bishop, Silvia M. Marchili : Annulment under the ICSID Convention (Oxford International Arbitration Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Annulment under the ICSID Convention (Oxford International Arbitration Series):

The book systematically describes the theory and practice of ICSID annulment proceedings by thoroughly analyzing this mechanism in light of the annulment decisions rendered so far as well as the publications on the issue. Organized to suit the needs of the practitioner, it outlines the recent trends in the area, providing the most up to date analysis of the subject. It also addresses key topics involving ICSID annulment such as the procedural issues which frequently arise in this type of proceedings, for example admissibility of new evidence and arguments in annulment proceedings, res judicata in resubmitted cases. The sections on each ground for annulment include an analysis of the applicable standard as well as a detailed description and study of each annulment decision that addressed the respective ground, creating an authoritative and complete resource.

"The authors' review and analysis of the decisions rendered by ICSID annulment committees is comprehensive and accurate...Taken as a whole, Annulment under the ICSID Convention is a well written and useful resource for arbitrators, counsel, government officials, and academics alike." -Nigel Blackaby, *The Journal of World Investment Trade*

About the Author
R. Doak Bishop is the Co-Chair of King Spalding's International Arbitration Group. Mr Bishop has over 30 years experience focusing on international arbitration and litigation of oil and gas, energy, construction, and environmental disputes. He has developed a worldwide reputation for his experience in international arbitration, serving both as an arbitrator and counsel in large business disputes. Ranked by Chambers Global: Guide to the World's Leading Lawyers as one of the world's top lawyers in international arbitration and concerning Latin America, and ranked by Chambers USA: America's Leading Lawyers for Business in the first tier of practitioners in international arbitration and energy. Consistently recognized as a 'Texas Super Lawyer' in the area of international law; recognized in *The Best Lawyers in America*; *Who's Who Legal of International Commercial Arbitration*, *The Legal 500*, and *Legal Media Group's Guide to the World's Leading Experts in Commercial Arbitration*.

Silvia M. Marchili is a Senior Associate in King Spalding's International Arbitration Group. Ms Marchili's practice focuses on representing global companies in complex international arbitration cases. Ms Marchili has substantial experience in commercial arbitrations as well as in investment arbitrations against foreign governments before the World Bank's International Centre for the Settlement of Investment Disputes (ICSID) and other arbitration institutions. Prior to joining King Spalding in 2006, Ms Marchili was an associate for M. M. Bomchil, a major Argentine law firm, for four years. She has lectured on international dispute resolution at University of Buenos Aires. Ms Marchili regularly speaks at international arbitration conferences and has authored several articles on the subject.
