**Subiotta : Antitrust Developments in EUrope 2002** before purchasing it in order to gage whether or not it would be worth my time, and all praised Antitrust Developments in EUrope 2002:

Antitrust laws and proceedings in Europe, both at the Community and national levels, shape the European and international business landscape profoundly. It is therefore essential that business leaders and legal practitioners remain informed of the most important antitrust law developments and their effect on the business world. *Antitrust Developments in Europe, 2002* provides a comprehensive and practical commentary on the past year's major developments in EC and national antitrust law. Topics covered include: Vertical Restraints Horizontal Agreements Abuse of Market Power Mergers Acquisitions Joint Ventures State Aid Policy and Procedures The insightful and concise analysis of major antitrust actions contained in this yearbook will be invaluable to antitrust legal practitioners, in-house counsel, businesspeople and others with an interest in the field. Cleary, Gottlieb, Steen Hamilton, with one of the most sophisticated and highly-respected European antitrust law practices, has systematically and meticulously monitored antitrust developments in Europe since the early 1970s. This volume represents the combined efforts and expertise of Cleary Gottlieb's antitrust practitioners in this rapidly-changing field.
