U.S. Department of Justice, Antitrust Division : Antitrust Division Manual before purchasing it in order to gage whether or not it would be worth my time, and all praised Antitrust Division Manual:

This edition of the U. S. Department of Justice Antitrust Division Manual is the latest version of the day-to-day resource used by attorneys, economists, and other professionals of the Division to enforce this countrys antitrust laws. This Fourth Edition incorporates changes in the statutes, guidelines, rules and other documents that govern the Division and reflect the Divisions current practices and procedures. The Manual is an important resource for everyone at the Division, from seasoned attorneys with many years of practice to new paralegals fresh out of college. It answers

many questions that can arise when conducting investigations or litigating cases.
