Not what I had hoped forBy brelyeaI was hoping to be able to trace my Huguenot ancestors migration to America, but was unable to easily find any reference to my family. This may be a good historical reference, but you would need to read the entire book to find out for sure about any one family.0 of 0 people found the following review helpful. A geneology of the various families was not what I ...By Pat PowellA geneology of the various families was not what I was expecting. It was hard to follow. More and more interesting as I read further.5 of 5 people found the following review helpful. A good history of colonial Huguenot'sBy SandyThis is a

good overview of Hugueno early emigration into the colonies. Both people and places are ably considered and wellconsidered to give the historical perspective those who are interested both need and want.

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.
