I found it interesting an easy to read, not dry as some books on law are. It is also a great reference book as it is easy to find which topic you are looking for.On a side note, the vendor I

purchased it from was awesome. She sent it immediately and it was really in much better condition than she stated in her listing.1 of 1 people found the following review helpful. A great addition to the library.3 of 3 people found the following review helpful. A MUST HAVE itemBy Jill GTHis is a MUST HAVE time for every real estate office.
