*Assisting Clients with Reinsurance Issues* provides an authoritative, insider's perspective on understanding the goal of reinsurance and navigating its regulatory complexities. Featuring experienced partners from law firms across the nation, these experts guide the reader through the types of reinsurance, such as facultative and treaty, and analyze the state-by-state differences in reinsurance regulations. These top lawyers offer advice on helping clients process a claim, cooperating with opposing counsel, and managing expectations throughout the process. From analyzing legal issues in reinsurance to undergoing litigation, these experts outline the effects of the Dodd-Frank Act on reinsurers and discuss best practices for resolving a dispute. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this challenging field. *Inside the Minds* provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1. David W.
