**Frank Marcio De Oliveira : Attache Extraordinaire: Vernon A. Walters in Brazil** before purchasing it in order to gage whether or not it would be worth my time, and all praised Attache Extraordinaire: Vernon A. Walters in Brazil:

Frank Oliveira explores the Brazilian crucible for Walter's career among the heavyweights of twentieth-century, front-line, U.S. international policy implementation. Walters' role as intelligence statesman clearly and early transcended his military roots and established a strong precedent for the instrumental unification of political strategy and intelligence in foreign affairs.
