From Martinus Nijhoff : Austrian Review of International and European Law 2013 before purchasing it in order to gage whether or not it would be worth my time, and all praised Austrian Review of International and European Law 2013:

The Austrian Review of International and European Law is an annual publication that provides a scholarly forum for

the discussion of issues of international and European law, with emphasis on topics of special interest for Austria. Each volume of the Review includes general articles, current developments, and the comprehensive annual digest of Austrian practice in international law, encompassing judicial decisions, executive as well as parliamentary documents relating to international law. The concluding parts of the Review contain longer book reviews and shorter book notes. Volume 18 of the Series covers the year 2013.
