This information is out there in an electronic version at no cost. But, it just isn't the same as having it in a bound book form. I can mark what I want and highlight important information to go back to in the future. Also, I don't have to worry about dropping a handful of loose papers and getting them out of order or a computer that is running slow. I can't believe someone didn't do this before now. It is so nice to have this information in book form where I know where it is when I need it.0 of 0 people found the following review helpful. It is just the rules printed off of the websiteBy Elizabeth HopkinsThe rules are available for free on the USCIS website. Anyone can print them off for \$3.00 at a copy center if need be. Do not buy this book as it is just a scam.

Board of Immigration Appeals (BIA) Practice Manual and the Questions and Answers Regarding Oral Argument Before the Board in printed book format.
