Richard P. Lewis, Nicholas M. Insua : Business Income Insurance Disputes (Supplemented Annually) before purchasing it in order to gage whether or not it would be worth my time, and all praised Business Income Insurance Disputes (Supplemented Annually):

Unexpected business disruptions and income losses can be triggered by many events: by large-scale disasters - hurricanes, floods, earthquakes, explosions - but also by relatively minor happenings such as a local blackout, computer outages, even something as simple as a street closing. What's more, in today's global economy, major business interruptions can be caused by events far away - a breakdown in goods production in Taiwan or a power failure in India. Business Income Insurance Disputes helps you prepare for any eventuality. It covers everything from the basics of first-party property insurance and case law which impacts time-element coverages - to practical strategies for dealing with today's most complex business income insurance law issues and questions. Unlike the majority of books in this field, this new guide focuses primarily on the side of the policyholder. Yet it will prove useful to

insurance company counsel and executives as well, giving them valuable insights into the insured's strategies In clear, plain-English terms Business Income Insurance Disputes helps you....
