From University of Toronto Press, Scholarly Publishing Division : Canadian Insurance Claims Directory 2009
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Canadian Insurance Claims Directory 2009:

This directory is published yearly to facilitate the forwarding of insurance claims throughout Canada and the United

States. Its subscribers are adjusters, firms specializing in counsel to the insurance industry, insurance companies, and industrial and government offices. Listed are a total of 800 independent adjusting offices, which offer dependable service to claims forwarders, as well as some 100 insurance counsel, who are experienced in insurance defence litigation. The arrangement of listings is national, geographical, and alphabetical: adjusters and counsel are listed by city, within province or state, and country. The editorial section includes a list of provincial associations of Insurance Adjusters, the Fire Underwriters Investigation Bureau of Canada, Provincial Superintendents of Insurance, the Fire Marshals of Canada, and a comprehensive listing of Canadian insurance companies. The listings are interspersed with informative advertisements from all fields of the insurance industry. Included as well are indexes to adjusters, insurance counsel, insurance-related industries, and advertisers.
