Cecil C., III Kuhne : Cancelled, Delayed, Grounded: Law for the Frustrated Air Traveler before purchasing it in order to gage whether or not it would be worth my time, and all praised Cancelled, Delayed, Grounded: Law for the Frustrated Air Traveler:

A lot can happen in the aviation domain, and contained in this book are a just few of the "frustrating" (and unfortunately, all-too-familiar) circumstances associated with air travel that have led to some fascinating litigation.

Passengers are bumped, falsely accused of assaulting ground personnel, mistakenly informed that they can't bring on board their spouse's cremated remains (which are subsequently lost in checked luggage). In the air, there are hijackings, collisions with serving carts, falling luggage, and even gunfire.

About the Author A member of Fulbright Jaworski LLP's litigation section in the Dallas, TX office since 1993, Cecil C. Kuhne has represented clients in federal and state court proceedings involving complex commercial disputes, business torts, and product liability.
