**Susan Echaore-McDavid : Career Opportunities In Law Enforcement, Security And Protective Services** before purchasing it in order to gage whether or not it would be worth my time, and all praised Career Opportunities In Law Enforcement, Security And Protective Services:

0 of 0 people found the following review helpful. Three StarsBy Beverly ComptonA little generic and old school appearance.0 of 0 people found the following review helpful. Good resorce for High School Guidance office/referenceBy TJA very basic explanation for the many law enforcement careers out there. Good for high school guidance offices or for student reference.

The growing law enforcement and security industry remains highly attractive to new workers. Current concerns about security and terrorism have placed law enforcement agencies and protective services in the spotlight and led to

sweeping changes in some branches. This extensively revised edition of one of the most successful titles in the Career Opportunities series contains 77 thoroughly updated job profiles and seven new profiles. Providing clear, accessible information on a wide range of opportunities, this book is essential for anyone planning a career in this field.

From Booklist  
State trooper, emergency medical technician, and air traffic controller are among the 75 careers profiled in this addition to the publisher's Career Opportunities library. The content is well organized and the information descriptive and current. -- Career Opportunities News, March/April 2000  
About the Author
