From West Group : Cases and Materials on Oil and Gas Law (American Casebook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cases and Materials on Oil and Gas Law (American Casebook Series):

The authors have retained the basic structure of prior editions, but have further integrated implied covenants issues with express lease issues and conservation with pooling and unitization, as well as adding new cases and editing the old materials. The book includes environmental law materials in a separate chapter, reflecting the editors' view of their

importance and adapting the book for use in an advanced course, as well as a basic course
