Child Poverty Action Group : Children's Handbook Scotland: A Benefits Guide for Children Living Away from Their Parents 2014/15 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Children's Handbook Scotland: A Benefits Guide for Children Living Away from Their Parents 2014/15:

A comprehensive Scottish guide to benefits and tax credits where children are living apart from their parents - eg, in foster or kinship care, at residential school or being looked after by the local authority. This new edition includes information on universal credit and other benefit changes. This Handbook covers: Entitlement to benefits and tax credits What happens to benefits and tax credits when children are living away from home How benefits and tax credits are affected by payments made by local authorities to carers Local authorities' responsibilities to young people leaving care How to challenge decisions This handbook includes practical examples and checklists. It is fully referenced to legislation and case law. Readership: welfare rights advisers, social workers, other professionals working with families and children in Scotland.

'This is an area of social security law which can cause much confusion...the clarity of the information and clear structure of the chapters means this book will prove to be a valuable resource for advisers' THE ADVISER (CITIZENS ADVICE)
