From Ingramcontent : Code of Federal Regulations Title 33, Volume 1, July 1, 2015 before purchasing it in order to gage whether or not it would be worth my time, and all praised Code of Federal Regulations Title 33, Volume 1, July 1, 2015:

33 CFR Parts 1-124 covers the United States Coast Guard within the United States Department of Homeland Security. In this volume, you will find processes, rules, procedures, and regulations pertaining to US Coast Guard (USCG)

districts, sectors, marine inspection zones, and captain of the port zones, plus protection and security of vessels, harbors, and waterfront facilities, waivers of navigation and vessel inspection laws and regulations, the United States Coast Guard (USCG) Reserve, enlistment personnel, United States aids to navigation system, marine information, positioning and technical details of lights, and shapes, distress signals, pilot rules, inland rules, vessel operating regulations, maritime security, bridge locations and clearances, anchorage regulations, security of passenger vessels, and more. This volume will interest the United States Coast Guard personnel, including commanders and reservists. It may also interest commercial ocean freight shippers, international cargo shipment companies, and leisure cruise liners or casual boaters that may utilize America's Oceans for passage. Students participating in certificate programs for Maritime Security and Management and degree programs in military science and regulatory affairs may be interested in this volume.
