whether or not it would be worth my time, and all praised Colinvaux's Law of Insurance Supplement 1:

Colinvaux's Law of Insurance presents a thorough but succinctly written analysis of all areas of insurance law. An essential companion for the insurance practitioner, it ensures that you have the necessary facts and insights readily available. The book covers the foundations of insurance law, then considers the parties involved, and finally examines the most important types of insurance. The 1st supplement to the 10th edition provides updates on all the significant developments in the law of insurance to have taken place since the publication of the last mainwork.
