**John K. Stovall : Colorado Real Estate Basics** before purchasing it in order to gage whether or not it would be worth my time, and all praised Colorado Real Estate Basics:

10 of 11 people found the following review helpful. Save Hours Studying for the State ExamBy KariI was reluctant to buy this book at first, due to its low page count and high price. I took the plunge, and it was totally worth it.As anyone who's studied for the Colorado state exam knows, the state book you study from is dry, boring, and difficult to get through awake.Colorado Real Estate Basics is pretty easy to read, as it's set up in a Q and A format. I got through it in a couple hours... where the state book would have taken me a couple days.The state book's content differs a tiny bit from Colorado Real Estate Basics (which was written in 2002), and the state book is a bit more clear on some issues, like agency.Overall, though, Colorado Real Estate Basics is a great study guide - just make sure to skim the state book

as well.0 of 0 people found the following review helpful. Five StarsBy CustomerVery helpful
