was able to take the course with the author, which was a nice bonus. I like that the book is shorter than most casebooks but still teaches a lot of info--it's just in a concise manner, which I appreciate. 0 of 0 people found the following review helpful. The material is laid out logically and made easy enough to follow. By Travis I mean, it's a casebook. The material is laid out logically and made easy enough to follow. If your professor is as acquainted with the text as mine here at U of Michigan Law it will make it even easier. 0 of 0 people found the following review helpful. Five Stars By Customer A+
