Albert Fiadjoe : Commonwealth Caribbean Public Law before purchasing it in order to gauge whether or not it would be worth my time, and all praised Commonwealth Caribbean Public Law:

This book depicts the various ways in which Caribbean courts seek to protect the citizen against the abuse of state power through the powerful tool of judicial review. Illustrations are drawn from both constitutional law and administrative law. Between these two subject areas, there is illustration of how the courts utilise their power of judicial review not only to control state legislative authority but also the exercise of discretion by public authorities. The basic approach of the book is to reflect the established legal principles through Caribbean cases, with critique and commentary made where appropriate. Some suggestions for reform are also discussed.

... this [book] will surely influence the development of public law in the region. This book deserves a wide audience. --
The Law Teacher, Vol 32, Iss 1. About the Author Professor Albert Fiadjoe, LLB, LLM, PhD, is currently Reader in
Public Law at the University of the West Indies and visiting Professor of Law at Florida State University and Howard
Law School, Washington
