**David S Evans : Competition Policy International: 2015 Journal: Antitrust and New Business Models** before purchasing it in order to gage whether or not it would be worth my time, and all praised Competition Policy International: 2015 Journal: Antitrust and New Business Models:

This combined Spring-Autumn issue of the CPI Journal addresses the phenomenon of disruptive innovation and how the new Internet-based firms, and the so-called sharing economy, are challenging competition and other regulatory

authorities around the world.
