**Dean M Harris : Contemporary Issues in Healthcare Law and Ethics, Fourth Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Contemporary Issues in Healthcare Law and Ethics, Fourth Edition:

0 of 0 people found the following review helpful. The found the book easy to read after the first two chaptersBy tina myersThe found the book easy to read after the first two chapters. I've had harder subjects so it's not that bad. The book is very interesting in terms of the law.0 of 0 people found the following review helpful. but a great read.By Anna EhlersFor school, but a great read.0 of 0 people found the following review helpful. Five StarsBy Yogigood condition book.

Contemporary Issues in Healthcare Law and Ethics, Fourth Edition, examines the most important legal and ethical issues in healthcare and presents essential information that will help you learn to identify and tackle potential legal problems. This thoroughly revised edition includes new information and extensive updates on topics such as: The Affordable Care Act (ACA) The US Supreme Court's decisions on physician-assisted suicide, the liability of health plans, and late-term abortion Legal and ethical issues related to the ACA contraception mandate The high-profile Terri Schiavo case involving termination of life support The HIPAA Privacy Rule and its effect on electronic health records Medical malpractice reform and the reporting of medical errors New to this edition are end-of-chapter activities and discussion questions to facilitate classroom discussions. Also, an in-text glossary has been added.

About the Author Dean M. Harris, JD, is a clinical associate professor in the Department of Health Policy and Administration, School of Public Health, University of North Carolina (UNC) at Chapel Hill, and adjunct associate professor in the UNC School of Law.
