Stephen Barkoczy : Core Tax Legislation and Study Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Core Tax Legislation and Study Guide:

Core Tax Legislation and Study Guide is a reference text for tertiary students undertaking taxation subjects in law and business schools around Australia. The book is designed to be used in conjunction with other OUP taxation books,

such as Foundations of Taxation Law, Australian Taxation Law, the Australian Tax Casebook and the Wolters Kluwer CCH text Australian Master Tax Guide. The book is divided into three parts. The first part contains a Research and Study Guide which suggests various ways that students might go about researching tax problems, writing assignments and preparing for exams. The second part contains the Core Tax Legislation which comprises extracts from relevant pieces of income tax, goods and services tax, fringe benefits tax, superannuation and related legislation and regulations. The compilation includes the main provisions that are studied in most tertiary taxation subjects and incorporates all amendments to 1 January 2016. The third part contains a Legislation Index.
