Cowboy Justice: Tale of a Texas LawmanBy FrannieI found that I love actual journals written by the cowboys themselves, although if you were to be the one transcribing them to one I have, you would find they had a limited language, couldn't spell and you had to learn a new way of reading. :)This is about a sixteen year old kid who decides he wants to cowboy and better himself by trailing cattle to the Panhandle of

Texas. He ends up working on the Panhandle Ranch, the LX and several others in Oldham and Potter Counties. He ends up the youngest sheriff in Potter County. The last frontier to be tamed was the Panhandle of Texas, Oklahoma, Kansas, and New Mexico with a trace drifting in from Colorado at times. The ranch life, the history and the people are always a good read. 1 of 1 people found the following review helpful. Good BookBy Michael L. HumphriesReally enjoyed this book. Gober really went through alot during his lifetime, but with what all he did and his problems makes you wonder how he survived. I don't think I could have. It was hard life that was for sure. 2 of 3 people found the following review helpful. Additional information for customersBy A CustomerCowboy Justice won Westerners International Co-Founders Best Book Award and to great critical acclaim."Cowboy Justice is a nonfiction masterpiece that shows us a lawman who enforced the law because the Rule of Law was sacred to him. There was no sense of personal gain or selfish career building, nor was there a sense of power for power's sake. Gober deserves a place beside Earp, Masterson, Garrett and others who gained fame for their law enforcement. And yet, he almost stands alone when it comes to greatness tempered with courage and humility." ---Michael Martin Murphey

Jim Gober had a code of ethics that he adhered to throughout his life. His code made him the man he was, and it cost him dearly. It was an ethic based in loyalty, and it was the central force in his life story. It compelled him to leave home at fifteen. It drove him to cowboying on the ranges of West Texas. It catapulted him into politics as the youngest elected sheriff in the United States. It made him the target of hired assassins. As strong and romantic a character as ever portrayed by Cooper, Wayne, or Eastwood, Gober played out his life with all the drama, suspense, and danger of an Old West you only thought was mythical.

About the AuthorAs an author, James R. Gober draws upon a rich pioneer heritage and military background. An Annapolis graduate, Gober enjoyed careers in the U.S. Army and in engineering management for the electronics industry before editing Cowboy Justice. A native Texan, B. Byron Price is author of Fine Art of the West and Imagining the Open Range: Erwin E. Smith, Cowboy Photographer.
