before purchasing it in order to gauge whether or not it would be worth my time, and all praised Criminal Aliens in the U.S: Statistics Immigration Enforcement. Edited by Sheila M. Burt, Dillon J. Sargent (Law, Crime and Law Enforcement: American Political Economic, and Security Issues):

Congress has a long-standing interest in seeing that immigration enforcement agencies identify and deport serious criminal aliens. This book examines the four programs the Department of Homeland Security operates to target aliens with a focus on the merits of jail enforcement programs and the role of states in immigration enforcement.
