Talmage Boston seeks to find out what it was that made our major presidents tick and what caused their historic lives

In *Cross-Examining History*, Boston interviews presidential insiders including Pulitzer Prize winners and finalists, Emmy Award winners, New York Times best-selling and "Notable Book" authors, scholars of the highest order, and a few newcomers well on their way to gaining national public recognition, all in hopes to provide insights about America's past that can help us better understand our present situation and provide a more informed expectation about our future.
