Martin John Cable : Cum Essem in Constantie...: Raffaele Fulgosio and the Council of Constance 1414-1415 (Medieval Law and Its Practice) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cum Essem in Constantie...: Raffaele Fulgosio and the Council of Constance 1414-1415 (Medieval

Law and Its Practice):

In *Cum essem in Constantie*, Martin John Cable presents a study of the Padua university jurist Raffaele Fulgosio (Fulgosius) (1367-1427) and his work as an advocate at the Council of Constance in 1414-15. Through the use of archival material and evidence drawn from Fulgosio's works, the book reveals a vivid picture both of teaching practice at a medieval university and the life and output of a working lawyer in early fifteenth-century Italy. The book recreates much of Fulgosio's workload at Constance and his involvement there in debates about representation, imperial and papal power and the Donation of Constantine."

About the Author Martin John Cable, Ph.D. (2001), London School of Economics and Political Science, is an independent scholar. He has published several studies on the legal questions raised by the Great Schism and particularly concerning the concepts of Real and Personal Obedience ."
