Maggie Mccarty : Department of Housing and Urban Development Appropriations before purchasing it in order to gage whether or not it would be worth my time, and all praised Department of Housing and Urban Development Appropriations:

This book is a guide to one of the regular appropriations bills that Congress considers each year. It is designed to

supplement the information provided by the Subcommittees on Transportation, Housing and Urban Development, and Related Agencies of the House and Senate Committees on Appropriations. It summarises the current legislative status of the bill, its scope, major issues, funding levels, and related legislative activity.
