done extensive research, and the book is very readable. Recommended for anyone with interest in Modern US Military Affairs. 1 of 1 people found the following review helpful. USMC SPECIAL OPERATIONS By B in NC Today's current Marine Corps Special Operations Command wouldn't exist today, had it not been for the Men of Det-1. This book only scratches the surface of the incredible things they accomplished. Hats off to Piedmont for making this book happen, he had to move mountains to get this story published.

Includes many full color illustrations and maps.
